The Hera Open Preschool
at Tegelhuset in Rosengård

Welcome to a meeting place for newly arrived immigrant families!

**Tuesday, April 3** will mark the opening of Hera, an open preschool and meeting place for parents/guardians and children ages 0–6 who are recent arrivals to Sweden. Here your children can play, explore, create and sing together with other kids. Parents and guardians can meet other adults who are in the same situation.

Every day at 10:00, there is a “language moment” for parents/guardians and their children. It gives you the opportunity to practice and develop your Swedish language skills in different ways, and also provides an introduction to Swedish society.
